Safe Margin: 20mm
Cut Line
Bleed line

Popup Banner template
Size: 845mm x 2100mm
Safe Margin: 20mm (Keep text 20mm from edge within pink line)

Bleed: 10mm (Extend any image or colour past the blue cut line by 10mm and flush to the green line)

PLEASE NOTE: The bottom 100mm will be inside the banner base. Therefore, this 100mm should have the background colour (if your artwork has a background colour/image) bled into it, but should not have any text/information on it.

Bottom 100mm will be rolled inside the base
